MEMORANDUM FOR: [REDACTED]

25X1A9a

SUBJECT: Semi-annual Review of CIA War Plans

1. I would appreciate your meeting with me in Room 328, 1000 Monday, 5 November 1956 to discuss the attached draft review of current CIA war plans. This office has discussed this draft with each of the component's war planners, and I believe all comments are accounted for. Although our meeting may be brief, I think it worthwhile that we have the opportunity to discuss around the table any points which might not yet be exposed.

2. In the meantime and at your earliest convenience, it would be helpful if you would assure that a lateral exchange of each component's war plans is made. It may be that by the time you receive this memorandum this has already been done.
